The General Education Program at the University at Albany is a distinct educational program that is broad by design, unique to campus, and coherent in structure. The following requirements comprise the University at Albany General Education Program and are in effect for students matriculating Fall 2014 and beyond.

Proof of completion of A.A. or A.S. degree from other SUNY institutions will waive all SUNY-wide General Education requirements at UAlbany. The "Challenges for the 21st Century" requirement will not be waived by an A.A. or A.S. degree.
